

AMENDMENTS TO THE CLAIMS:

Please cancel claims 1-8, without prejudice, and add new claims 9-18, as shown below.

This listing of claims will replace all prior versions and listings of claims in the
Application:

Claim 1-8 (canceled):

Claim 9 (new). Tool device including two sides and two between these arranged axles on which one or several extendable tools are arranged, wherein the tool includes two covers pivotably arranged on each one of the axles.

Claim 10 (new). Tool device according to claim 9, wherein one of the covers is pivotable so that the one cover between its journaled end and the outer end of the other cover can clamp or fix something, for instance a tool sitting on the same axle as this pivotable cover.

Claim 11 (new). Tool device according to claim 10, wherein the covers are provided with against each other facing recesses for instance for gripping around a tool.

Claim 12 (new). Tool device according to claim 10, wherein the tool that can be gripped between the covers is a thread tap.

Claim 13 (new). Tool device according to claim 11, wherein the tool that can be gripped between the covers is a thread tap.

Claim 14 (new). Tool device according to claim 9, wherein extendable tools can be fixed between the cover edge of the cover that is pivotable around the same axle as the tool in question and the outer end of the cover journaled in the other end when the latter cover is pivoted inward towards its closed position.

Claim 15 (new). Tool device according to claim 14, wherein the tools are provided with shoulders that abut the cover edges.
